HANNAN, JAMES

SKILLS

I have experience working with HTML, CSS, JavaScript, React, Express and NodeJS. I also have some experience with Java and Python. Additionally, I am comfortable using Git and GitHub for version control.

OBJECTIVE

Seeking my first role in Web Development with a company that is willing to provide mentorship to a motivated adult learner. Recent graduate of Southern New Hampshire University with a BS in Information Technology with a concentration in Web Design and Development.

WORK EXPERIENCE

DTMS Administrator | NH Army National Guard | 2012-2017

Administrated the use of an online database that tracked military training and readiness. Developed local policies and training programs. Provided local helpdesk support and provided advise and best practices to units.

Military Experience

Field Artillery | NH Army National Guard | From 2000 To Present

Current position is First Sergeant of an artillery battery based in Rochester, NH (1/103FAR). Supervise and mentor 76 Soldiers while serving as an advisor and technical expert to the unit commander. Over 20 years of service including three overseas deployments.

EDUCATION

B.S. IT + Web Design and Development | Currently Enrolled | Southern NH University

Graduated June 2020 with a 3.78 GPA.
